Education

B.S.C in Software Engineering Daffodil International University

2020-2023

I completed my Bachelor's degree in Software Engineering from Daffodil International University with a CGPA of 3.37 out of 4.00. My university journey helped me grow personally and professionally, building confidence, discipline, and a continuous learning mindset that I carry into my career.

HSC

2017-2019

Eminence College

I completed my Higher Secondary education from Eminence College in the Science group with a GPA of 3.50 out of 5.00. My time there helped me develop discipline, curiosity, and a strong motivation to continue learning and growing in my academic and professional journey.
